# From the President

Welcome to the USAYESS National Junior Clay Target Championships! It's truly an honor to be part of your journey, and I'm thrilled to continue alongside you.

The National Championships represent the culmination of your year-long dedication and practice. I am eagerly anticipating witnessing the remarkable progress our student-athletes have made. Don't hesitate to drop by and say hello throughout the event!

USAYESS takes great pride in being the nation's sole all-inclusive youth shooting sports program. Our Regional and National Championship events warmly welcome all youth shooters, irrespective of their program affiliation. Neither NGB membership nor USAYESS affiliation is required to participate in these prestigious competitions.

We extend our heartfelt gratitude to the facility directors for graciously hosting this event. A special thanks also goes out to our athletes' parents, coaches, staff, and volunteers, whose unwavering dedication brings these events to life. Furthermore, we express our deep appreciation to all sponsors and donors for their invaluable support and generosity.

The athletes competing in these shooting sports represent some of the finest youth talent in the nation, and we eagerly anticipate witnessing their exceptional abilities on display.

Should you require any assistance or have inquiries, please don't hesitate to reach out. Our volunteers and I are here to support you every step of the way.

Wishing all participants the best of luck, safety above all, and, most importantly, an abundance of enjoyment!

The coach or team leader can request shooters to be squadded together in Trap, Skeet, 5-Stand & Sporting Clays. A legal squad is five shooters from the same team and in the same division. Shoot management will place individual athletes on mixed squads. International events are individual events.

Pre-Squadding will be open beginning March 1, 2025. Cashiering for Targets and Trophies will be online only via iClays beginning March 1, 2025.

# Responsibility

By entering the competition, every person agrees to accept all official decisions and to abide by USAYESS rules. USAYESS staff will make all rule interpretations.

Be ready to shoot. Squads will not wait for tardy members. If you miss your squad, report to the office and be re-squadded on a later squad. If no squad is available, a shooter forfeits all entry money.

No shooter will be allowed to make up more than 50 targets on the practice traps if he/ she has missed the squad. If you are unable to join your squad before they have started their second trap, you must be resquadded. All make-ups for missed squads or gun repairs report to the practice trap area within 15 minutes of when the last squad takes the line for that event.

In case of a gun breakdown, a shooter will be allowed five (5) minutes for repair or replacement.

Please check your score before leaving each post. The squad captain (#1 shooter) will total the score after each sub-event and initial the score sheet before leaving the trap. Errors made in totaling shall be corrected whenever discovered. All changes will be made in strict accordance with USAYESS rules.

Athlete bibs with each shooter's participant number will be distributed to the coaches. Each athlete must have their bib with shooter number visible at all times while shooting.

# Other Rules and Things to Remember

USAYESS Officials and Executive Committee will make all program interpretations.

The State, Regional, and National Championships are to be a true test of the skills our youth have developed this season. However, because USAYESS is an organization that emphasizes teamwork, only a shooter's fellow squad members may challenge a call by a scorekeeper. The shoot director's decision on a dead or lost bird will be final. The management shall appoint a judge or judges to be called upon as the occasion arises. The scorer must call upon a judge to settle any controversy regarding a score or when the scorer has made an error by being ahead or behind in scoring.

Coaches, guests, and athletes not on that squad may not dispute calls or enter into discussions with shoot officials. On-field or on-station coaching will NOT be allowed! All coaches, volunteers, and guests must remain behind the Trap or Skeet field or at least 10 feet away from a Sporting Clays walk-through station. Coaching on the station, entering into a dispute with an official, or disrupting the flow of competition may result in loss of points or disqualification for the athlete and the non-squad member (coach, guest or athlete) removed from the competition field.

We want to remind you all to check the following list before checking in for the day's competition:

- Sufficient ammo for all competitors as well as shell bags, belts or shooting vests.
- Properly cleaned and properly functioning guns. On the third gun malfunction, the athlete will need to step off the course to allow the remaining squad members to compete without distraction. "Safety On," firing from the wrong barrel or using ammo that will not cycle in your shotgun, is a LOST bird. Use a gun that functions well and ammo that cycles in your gun! If ammo is provided for an event that will not cycle in an athlete's gun, the athlete is responsible for obtaining ammo that will cycle.
- Shell catchers must be used on semi-auto shotguns. This is to prevent stay shells from hitting adjacent shooters.
- SAFETY EQUIPMENT FOR ALL COMPETITORS, COACHES, VOLUNTEERS, AND OBSERVERS! This will be strictly enforced - NO ONE will be allowed at the shooting fields or on the walk-through course without eye and ear protection! This includes infants and toddlers. Anyone found without proper safety equipment will be asked to leave the field.

- Squads should check their flight times and be on-deck 10 minutes before Flight. They should be on the shooting grounds 15 minutes prior to Flight Time. If your squad or athlete is not on the field ready to shoot their round within a reasonable amount of time, they may be disqualified or at the very least, rescheduled, time permitting.
- Scoresheets will be the responsibility of the squad leader! No other
  person may take the scoresheet or be in possession of the score
  sheet at any time other than the Shoot Administrator, official Scoring
  Volunteer, Referee, or a Trapper. Squad will leave the scoresheet at
  the final trap field. Scoresheets will be picked up at each field by the
  score chaser.

Registered Coaches may be recruited to assist as referees. USAYESS will provide all Trappers and Scorers; however, coaches may be asked to act as trappers. Every team should provide at least two qualified, registered volunteers to referee during Nationals.

### USAYESS Dress Code Regulations will be STRICTLY ENFORCED!

The target setting committee shall set targets each morning or during event changes based on predicted weather conditions and in accordance with USAYESS rules. Once targets have been set, only the line judge has the authority to change them. Target speed will be set by a radar gun and will be maintained uniformly on all traps. Changes will be made only if targets have become illegal or vary from the original setting.

The USAYESS State, Regional and National Junior Clay Target Championships are USAYESS sanctioned events. Any competitor must be a registered, active member of USAYESS, SCTP, 4H, AIM, High School Rodeo, BSA, or other established, nationally-recognized organization shooting team and must have current proof of membership and insurance. All competitors must meet the minimum practice requirements of five practices with their team before competing at USAYESS Championships. USAYESS reserves the right to limit registrations. Priority for registration will go to USAYESS member teams.

Awards are provided by USAYESS.

Coaches must ensure that they have in their possession the original medical consent forms for every athlete, as well as travel consent forms for those teams traveling to State without a parent.

Athletes must compete in their division but may be squadded with other divisions and other teams if necessary, during competition. All rules for USAYESS Championships will apply unless otherwise noted in this document.

Check-In will be held each day before Opening Ceremonies. Check-in will be with the team coaching staff, so most athletes will check in with their coaching staff for competition.

### **Social Media Disciplinary Actions**

Posting inaccurate, detrimental, threatening, or derogatory content about USAYESS or any USAYESS volunteer, affiliate, or sponsor may result in disqualification for both the athlete and parents.

# Subject to Change

Please keep in mind that the tournament schedules, squadding, shoot-off format, awards structure, fees, and this program are subject to change at the discression of event management.

Although we make every attempt to maintain the published schedule, target malfunctions, weather and other situations may arise to necessitate program changes. It is the responsibility of competitors and coaches to check the program, flights and squads daily. Updated information will be posted at the range, and we will make every effort to post changes on Facebook as well. USAYESS is not responsible for missed flights, airline change fees, missed squads, stolen equipment, lost ammo, etc. Please keep this in mind when making your travel arrangements, schedules and while at the events.
